Kaleidoscope Mini Quilt Kit

Makes a great Wall Hanging, Table Topper, Candle Mat, Stand Scarf and more. Finishes to 23.5" x 23.5"

Materials Needed:

- * One Set of 4 7" Pre Cut Kaleidoscope Blocks
- * 1/4 Yard Focus Fabric (Outer Border)
- * 1/4 Yard Accent Fabric (Inner Border / Sashing)

* 1/4 Yard Binding Fabric

Step 1 - Sew your blocks together according to block instructions. I recommend pressing seams open.

Step 2 - Using the accent fabric, cut 3 - 2"xWOF strips, sub cut in the following order (you will be cutting all the larger pieces first, then the smaller pieces). **2** - 2"x19", **3** - 2"x16" and **2** - 2"x7.5" pieces. Using the 2 2"x7.5" pieces, use as sashing, connect 2 blocks, this will give you 2 sets of 2 blocks for your rows, then using the 3 2"x16" pieces, use one to connect the two rows (you will now have a 4 block square), then place another 2"x16" piece at the top and bottom, and finally, add the 2 2"x19" pieces to the other sides and you have your top.

Step 3 - Using the focus/outer border fabric, cut 3 strips at 2.75" for the outer borders.

Step 4 - Quilt as desired.

Step 5 - Using the binding fabric, cut 3 strips at 2.5" and bind.
