

# Black White & Red Hot

## Pre-Cut Kaleidoscope Quilt Kit 30" x 36"

### Material Needed to complete quilt top:

- \*\* 12 - 7" Pre Cut Kaleidoscope Blocks
- \*\* 1/4 Yard Accent Fabric (inner border)
- \*\* 1/3 Yard Focus Fabric (outer border)

**Step 1:** Following directions on reverse, sew all 12 of your pre cut Kaleidoscope Blocks and trim/square up to 7 1/2 "

**Step 2:** Arrange your blocks in a 3 across by 4 down alternating white & black blocks, and come up with a design that is pleasing to your eye.

**Step 3:** Once you have your design laid out, sew rows together (each row will have 3 blocks), you will have 4 rows when done, once all your 4 rows are sewed together, connect the first 2 rows together, then the second two rows, and then finally sew your center seam connecting both halves together to complete your top.

**Step 4:** For inner border, cut your accent fabric into 4 strips 2" x wof, Measure your quilt top at this point lengthwise. Use your measurement and cut your pieces to size and sew to both sides. Once your side borders are on, measure your quilt through the center horizontally to get the measurement for your top and bottom borders, cut to size and add to top and bottom of quilt top.

**Step 5:** For outer border, cut your focus fabric into 4 strips, 4" x wof. Again measure your quilt top lengthwise, use this measurement to size your side borders. Once your side borders are on, measure through the center horizontally to get measurement for top and bottom borders, use the last 2 strips, cut to size and sew to top and bottom.

What a beautiful quilt top you now have, and it was so easy!!

**Finishing:** Quilt as desired, bind and enjoy!!
