Materials Needed:

- * 1/4 Yard Binding Fabric

~~~~~

**Step 1** - Sew your blocks together according to block instructions.  
I recommend pressing seams open.

**Step 2** - Using the accent fabric, cut 1 - 2" x wof strip, sub cut this in to 5 pieces, each measuring 2" x 6.5". Using 3 of these pieces, connect the 5 blocks in a row, then add the remaining 2 pieces to each end. Still using the accent fabric, cut 2 - 2" x wof strips, sub cut each one to 32.5" and sew to long sides of the runner.

**Step 3** - Using the focus/outer border fabric, cut 3 strips at 2.5" x wof, sub cut into 2 pieces at 2.5" x 9.5" and sew to ends, with remaining 2 strips, cut 2 pieces at 2.5" x 36.5" and sew to long sides of the runner.

**Step 4** - Quilt as desired.

**Step 5** - Using the binding fabric, cut 3 strips at 2.5" x wof and bind.
