 1/3 Yard Accent Fabric (inset & first border)
 1/3 Yard Focus Fabric (outer border)
 1/3 Yard Binding
 1 Yard Backing Fabric
 Optional—5 Buttons for Center of each block

Binding & Backing Fabric Not Included In Kit

*Please read all direction before beginning your quilt—If you ordered this in kit form, some pieces may already be cut for you.

Step 1: Sew up the 5 Pre Cut Kaleidoscope Kits according to directions, either on the back page of this pattern, or directions can also be found and printed out in our Pattern Download section of our website www.labfabric.com - Square to 7.5".

Step 2: From accent fabric, cut a 7.5" strip, sub-cut into 2— 7.5"x5.5" and 2— 7.5"x3.5" pieces. From remaining piece cut 3 strips at 1.5"x wof for inner border.

Step 3: Arrange your sewn blocks in a 5 block design as shown in photo that is pleasing to your eye, we put the Cardinal block right in the center and arranged the rest around it. Now using the accent pieces you will sew your rows as shown in **Fig. 1**.

Step 4: Sew your three rows together to make the middle of your quilt.

Make 1 ↑

Fig. 1

Make 2 ↑

Step 5: From the 1.5" inner border strips, measure your top through the center vertically, use this measurement

To cut your pieces to size and sew to both sides. Once your sides are on, measure your top through the center horizontally and again use that measurement for top and bottom inner border pieces, cut to size and sew to top and bottom.

Step 6: From Focus/Outer Border fabric, cut 4 strips at 3" x wof. Again measure your quilt through the center vertically and use the measurement to cut your pieces to size and sew to both sides. Then measure your quilt through the center horizontally and use that measurement for the top and bottom outer border pieces.

Step 7: Optional—Sew a button to the center of each block, keeping in mind if you will be using this as a table topper and you might place something in the middle, you may not want a button on the middle block.

Step 8: Quilt and Bind as desired.
